

THE HEALTH & SAFETY OF OUR CUSTOMERS & EMPLOYEES IS OUR #1 PRIORITY

In response to COVID-19, we have taken extra pre-cautions to ensure our dealership meets the highest standards for hygiene and cleanliness.

Thorough floor and surface cleaning of all public areas twice a day. Sanitized wipe down of all surface areas every few hours in public and employee areas.

Strict employee procedures and protocols to ensure there is no risk to customers interacting with our staff.

Welcoming customers verbally, without a hand gesture and respecting social distance.

- **Have you recently returned from travel?**
- **Have you been in close contact with anyone who has recently returned from travel?**
- **Do you have a cough or fever?**

If yes to any of the above, for the health & safety of our employees, we ask that you do not enter the dealership at this time. We still want to do business with you and can assist you via phone, text and/or email.
